Greyhounds are very Friendly. They love cuddles and being petted!

Treats should be fed in moderation. Too many can make them ill!

Greyhounds need to visit the Vet regularly for check ups and Vaccinations.

Every dog, including greyhounds, must have a Microchip. This means we can identify them if they got lost!

Greyhounds need two Twenty minute walks per day. Otherwise, they just want to lay on the Sofa!

Though they had a special Diet when they were racing, once they retire they have regular Dog Food.
